
Family Handbook
Revised 8/19/26

Philosophy

- We are family.
 - We have been a family-run daycare and preschool since 1995.
 - Our groups are very small so your child will make close friends.
 - Each teacher gets to know her small group of children and their families very well.
 - Since our small groups stay together for the entire school year (and sometimes all summer too), they become little families.
 - We offer a lot of family events such as picnics, pumpkin painting and movie nights because parents like having friends too.
 - We are here for you nearly every day of the year from 7 a.m. to 6 p.m.
 - We share pictures and texts throughout the week..
- We are experienced.
 - All of our teachers are mature and experienced.
 - We know how to create a safe, peaceful environment.
 - We plan academic lessons in reading, writing, math, science, cultures, art, sports, music and more.
 - We are great at teaching children self-help skills such as how to wash your hands and put on your snow pants.
 - We are experts at building self-confidence.
 - We have been MI-licensed since 1995.
 - Best of all, we love kids, and they love us too.

Communication

- Our names and pictures are on the Alpine website.
- Contact us in the office between 7:45 am and 4:30 pm.
- Contact your child's teachers through the free app called Seesaw. We will share an invitation so you may get started.
- We have Parent Teacher Night in September.
- We write progress reports twice per year.
- We offer conferences twice per year.
- We send emails from the office once every couple of weeks.
- We are happy to talk on the phone and meet in person.

Playgrounds

- The U.S. Consumer Safety Product Commission (CSPC) recommends that children not wear strings on their clothing or winter gear when on the playground.
